

**SOLE SOURCE JUSTIFICATION**  
**(Simplified Acquisition Procedures under FAR Part 13 Not Exceeding \$650K)**

**1. Agency/Contracting Activity:** Mission and Installation Contracting Command - Installation Contracting Office (MICC-ICO), Ft Campbell, KY

**2. Description of Action:**

Nature:    ☒ New Requirement    ☐ Follow-on Requirement  
              ☐ Mod to Existing Purchase Order/Contract Number \_\_\_\_\_

Pricing:    ☒ Firm-Fixed Price    ☐ Time & Materials    ☐ Cost

Funds:    ☒ OMA    ☐ Other Funds: \_\_\_\_\_

**3. Description of Services or Supplies:**

a. The total estimated value of the proposed action is \$ \_\_\_\_\_

b. Acquisition is for Extraction Insertion Device for Tires, SEID-20 Scorpion Insertion Device for the Installation Maintenance Division (IMD), Directorate of Logistics (DOL), Fort Campbell, Kentucky.

c. The Model SEID-20 is the only known piece of equipment that meets performance requirements to satisfy mission need of the Installation Maintenance Division (IMD), Directorate of Logistics (DOL). These requirements are necessary to safely and efficiently remove and install tires on rims used on the Mine Resistant Ambush Protected Vehicles (MRAPs) and for repairing HUMVEE wheel assemblies for NMP (National Maintenance Program). Specific capabilities include: capability to extract and insert run flat tire inserts; change tires up to 20" in diameter; have less than a 20-minute cycle time; can be used by single operator; can be moved with a forklift in a single move. The Model SEID-20 Extraction Insertion Device is the only known piece of equipment that meets the Government's requirements.

**4. Authority:**

**Action using simplified acquisition procedures (select one):**

☒ FAR 13.106-1(b)(1): For purchases not exceeding the simplified acquisition threshold (SAT), contracting officers may solicit from one source if the contracting officer determines that the circumstances of the contract action deem only one source reasonably available (e.g. urgency, exclusive licensing agreements, brand name, or industrial mobilization).

**Control No. 11-110**

☐ FAR 13.501(a)(1)(ii): For actions for commercial supplies or services greater than the SAT but not exceeding \$5.5M, the correct citation is: Test Program for Commercial Items, Section 4202 of the Clinger-Cohen Act of 1996 as codified at 10 USC Sec. 2304(g)(1)(B), and amended by Section 807 of the Ronald Reagan National Defense Authorization Act of 2005.

**5. Reasons for Authority Cited:** The Model SEID-20 Extraction Insertion Device is the only known piece of equipment that meets the Government's requirements. Model SEID-20 equipment is essential to the Government's requirements.

**6. Actions to Increase Competition:** Sole source synopsis stating our intent to negotiate a sole source contract with the manufacturer, DJM Manufacturing & Sales, LLC, will be posted on Federal Business Opportunities website and the MICC-ICO website. Redacted sole source justification will also be posted. However, as DJM Manufacturing & Sales, LLC, is the manufacturer and sole distributor of the equipment, competition appears not to be feasible.

**7. Market Research:** Research indicates this equipment is not available on the Federal Supply Schedule GSA Contracts and is only available from the manufacturer, DJM Manufacturing & Sales, LLC, a small business firm.

**8. Procurement History:**

Previous Purchase Order(s) or Contract(s): ☐ Yes ☒ No

Purchase order or contract number:

Was action competed? ☐ Yes ☐ No

If action was not competed, state the cited authority, summarize rationale: \_\_\_\_\_

**9. Additional Information to support the justification.** N/A

**10. Technical / Requirements Certification:** I certify that the supporting data under my cognizance which is included in this abbreviated J&A is accurate and complete to the best of my knowledge and belief.

Submitted By:  
Position Title:  
Email address:  
Signature:  
Date:

**11. Fair and Reasonable Price Determination:** As contracting officer, I hereby determine that the anticipated cost to the Government for this contract action will be fair and reasonable. Basis for the determination: price analysis techniques.

**12. Review (if value exceeds \$100K):** I have reviewed this justification and find it legally sufficient.

**Legal Counsel**

**13. Contracting Officer's Approval:** I hereby certify that this justification is accurate and complete to the best of my knowledge and belief. Based on the foregoing, I approve this sole source justification subject to availability of funds, and provided that the services and supplies herein described have otherwise been authorized for acquisition.

16. The Mission and Installation Contracting Command – Installation Contracting Office, Fort Campbell, KY, has a requirement for Model SEID-20 Scorpion Insertion Device. The Model SEID-20 is the only known piece of equipment that meets performance requirements to satisfy mission need of the Installation Maintenance Division (IMD), Directorate of Logistics (DOL). These requirements are necessary to safely and efficiently remove and install tires on rims used on the Mine Resistant Ambush Protected Vehicles (MRAPs) and for repairing HUMVEE wheel assemblies for NMP (National Maintenance Program). Specific capabilities include: capability to extract and insert run flat tire inserts; change tires up to 20” in diameter; have less than a 20-minute cycle time; can be used by single operator; can be moved with a forklift in a single move. The Model SEID-20 Extraction Insertion Device is the only known piece of equipment that meets the Government’s requirements. The procurement will be conducted on a sole source basis in accordance with the FAR 13.106-1(b)(1) For purchases not exceeding the simplified acquisition threshold, contracting officers may solicit from one source if the contracting officer determines that the circumstances of the contract action deem only one source reasonably

available (e.g., urgency, exclusive licensing agreements, brand name or industrial mobilization). The Agency intends to enter into a firm-fixed-price contract with DJM Manufacturing & Sales, LLC. The basis for restricting competition is that DJM Manufacturing & Sales, LLC, Elizabeth City, North Carolina, manufactures the Model SEID-20, the only known equipment capable of meeting the Government's needs. NAICS code for this procurement is 333329 and the small business size standard is 500 employees. This sole source requirement will be procured under Simplified Acquisition Procedures and Other Than Full and Open Competition, and awarded on an Unrestricted basis. **THIS NOTICE IS NOT A REQUEST FOR COMPETITIVE OFFERS** and solicitation will not be issued; however, any firm that believes it can meet the requirements may give written notification to the Contracting Officer within 10 days from the date of the publication of this synopsis. Supporting evidence must be furnished in sufficient detail to demonstrate the ability to comply with the requirements listed. Responses received will be evaluated; however, a determination by the Government not to compete the proposed procurement based upon responses to this notice is solely within the discretion for the Government. If no responses are received, the Government will proceed with the sole source negotiation with the manufacturer, DJM Manufacturing & Sales, LLC. Responses are due by 29 August 2011 2:00 P.M. (CT). Responses shall be submitted via e-mail to the following address: [erin.e.kohl@us.army.mil](mailto:erin.e.kohl@us.army.mil) or faxed responses will be accepted at (270) 798-7855. Telephone requests or inquires will not be accepted. The points of contact are Erin Kohl, (270) 798-7561, [erin.e.kohl@us.army.mil](mailto:erin.e.kohl@us.army.mil) or June Fletcher-Schiewe, (270) 798-3441, [linda.j.fletcherschiewe@us.army.mil](mailto:linda.j.fletcherschiewe@us.army.mil).

17. Elizabeth City, North Carolina.

18. Acquisition is Unrestricted.
